

Sahil Miyawala

MERN Stack Developer

Aspiring MERN Stack Developer with hands-on experience in creating functional web applications. Proficient in ReactJS, Node.js, and Express, with projects like a Nico Industrial and Zazzo School System under my belt. Looking to contribute to a forward-thinking company and grow in a collaborative, tech-driven environment.

PROJECTS

Nico Industrial

- **Nico Industrial** is a real-time business management system that handles product data, inquiries, and user interactions seamlessly. I built it as a fully functional project with responsive UI and optimized APIs.
- It features live dashboard analytics, inquiry tracking, and efficient data handling to streamline industrial operations and decision-making.
- Live Link - <https://nicoindustrial.com>

Prescripto

- **Prescripto** is a full-stack doctor appointment booking platform built using the MERN stack. It allows patients to book appointments, manage their profiles, and connect with doctors easily.
- The system includes dedicated panels for Admins and Doctors, offering secure, role-based access for efficient management and smooth communication.
- Live Link - <https://prescripto-frontend-xi-three.vercel.app/>

Fizzi - For Those Who Dare To Fizz

- Built **Fizzi**, a sleek, responsive beverage brand website using **Next.js**, **Three.js**, and **GSAP**, featuring immersive 3D animations and smooth motion effects.
- Showcased dynamic product displays and a modern, user-focused design highlighting bold flavors and the brand story.
- Live Link - <https://fizzi-for-those-who-dare-to-fizz.vercel.app/>

Luxury.io

- Built a premium MERN stack e-commerce website for luxury fashion, accessories, and lifestyle products. Designed a fully responsive frontend in React with smooth user experience.
- Implemented secure backend with Node.js/Express and MongoDB. Added features like smart search, secure payments, and fast performance for seamless shopping.
- Live Link - <https://luxury-io-frontend.vercel.app/>

Portfolio Website

- Designed and developed a personal portfolio website to showcase projects and skills.
- Live Link - <https://portfolio-sahilmiyawala-007.vercel.app/>
